## **DETAILED ACTION**

### ***Drawings***

1. The corrected drawing was received on 5/10/04. This drawing is accepted.

### ***Terminal Disclaimer***

2. An attorney or agent, not of record, is not authorized to sign a terminal disclaimer in the capacity as an attorney or agent acting in a representative capacity as provided by 37 CFR 1.34 (a). See 37 CFR 1.321(b) and/or (c).

The attorney whose signature appears on the terminal disclaimer filed on 5/10/04 is not of record. However, the obviousness-type double patenting rejection set forth in paragraph 12 of the office dated 11/6/03 was a provisional one based on application 09/595,546, which has since then gone abandoned. Therefore, a terminal disclaimer is unnecessary.

## **EXAMINER'S AMENDMENT**

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Perez on 6/23/04.

4. The application has been amended as follows:

Claim 1, line 1: --Currently-- was inserted after “(“.

Claim 1, line 11: --an-- was inserted before “elastic”.

Claim 1, line 12: “and” was deleted after “body” and --which-- was inserted.

Art Unit: 1733

Claim 2, line 3: "or" was deleted after "layer" and --of-- was inserted.

5. The following is an examiner's statement of **reasons for allowance**:

With respect to claim 1, the prior art fails to teach or suggest an attachment method for attaching a disc protective sheet to each half body section of a disc cartridge body comprising supporting the half body section by a supporting mechanism which comprises a supporting member for supporting the half body section formed by an elastic body which is adapted so that plural groove portions are formed at the supporting surface side for supporting the half body section. See last paragraph on p. 5 of Applicant's arguments filed on 5/10/04.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Jessica L. Rossi** whose telephone number is **571-272-1223**. The examiner can normally be reached on M-F (8:00-5:30) First Friday Off.
